

# Central Officials Association 2019 Football Meeting Schedule [www.coaofficials.com](http://www.coaofficials.com)

*Mark your calendars. It's time to prepare for a brand new season! Again, all Football Topic Meetings will be held at Hinsdale South High School, Darien IL, on Tuesdays, beginning August 6<sup>th</sup>.*

*There are several nights when we will have sessions that are individualized to the rule code that you are working in. On these nights the meetings will be broken out as follows:*

*Federation Meetings for high school officials begin at 6:30p.*

*NCAA Meetings for college officials begin at 7:30p.*

*Please feel free to participate in one or both of these meetings.*

*Our meetings will not qualify for a level 2 IHSA clinic for 2019. We will seek to get this back for 2020.*

*+Have you checked out the COA web site lately...keep your information up to date!*

*+Keep your COA strong...have you brought in a prospective member?*

*+ALL weeks of COA meetings are packed with info for both the newer and veteran official. In addition, specific rule and mechanics knowledge for either the high school or collegiate football official is presented. Make it a point to attend them ALL!*

*+The Annual Meeting on October 8th St Laurence H.S. is an opportunity to stay in touch with your organizations board members and to give input. Please note we have added football content to this night. Please attend both meetings on October 8<sup>th</sup>. Do mark it on your calendar. Your participation is important.*
